Sir,

Subject Estimate for the construction of cooli Quarters towards the west portion of the existing Dry Cattle shed in Sewage Farm

--

I have the honour to honour to state that with a view to avoid irregular and late attendance of coolies coming from different parts of the City, which greatly affected the progress of work in the municipal Sewage Farm, it was considered desirable to house some of the coolies within the Farm area itself The Sewage Farm Sub Committee which examined the question resolved at their meeting held on 25-2-46 that cooli quarters be constructed alround the dry cattle shed An estimate for Rs 9,600/- is accordingly got prepared for putting up the same, and it has been sanctioned both by the Works Committee and the Council in their

resolutions Nos.1229 dated 10-6-46 and 1177 dated 10-7-46 respectively

In enclosing the copies of the resolutions referred to above, I request you kindly to ~~xhxxxir~~ obtain sanction to the enclosed estimate of Rs 9600/- for the above work, to be met out of E 11 Sewage Farm

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT

BS

President, City Municipal Council,

To

The Secretary to Government,
Revenue Department,
Bangalore.

Sir,

Subject -Estimate for the construction of Cooly quarters towards the eastern and western side of the existing Dry Cattle Shed in the Sewage Farm

--

With reference to your letter No L 2936 dated 26-8-1946 on the above subject, I have the honour to enclose the ground and elevation plans of the proposed building, and to state that the proposal is to have four quarters of the enclosed type on either side - eastern side and western side - of the building as per sketch enclosed, as this seems to be more decent and convenient instead of having all the eight quarters on one side alone as originally proposed The estimatex however remains unaltered I request that sanction of Government may be kindly obtained to

the estimate early, as the buildings have to be finished before the monsoon sets in, especially in view of the proposed starting of the Dairy Farm

I have the honour to be,
Sir,
Your most obedient servant,
